How to Play:

This game machine is very easy to learn and play. As all that the players have to do is to pile up the blocks to reach the top from the bottom; however the tricky part is for each pile, the speed becomes just a little faster, one block off the pile and the rest become crushing down.

The payouts include minor prize and major prize, which can attract different players. Once the players reach the minor prize level, they will choose between to get a minor prize or to continue to play on for the major prize; almost all of the players will try to the major prize level
