Additional Instruction

1. **Bet Time Game is belong to Mini Game ,you can on the background system to set "On" or "Off".**

   If On the "Double Game Difficulty" we suggest adjust "4" difficulty level. This difficulty level is not the game difficulty. The Game difficulty is control by the Coder box.(to adjust)

2. **Slot Game can press one button to All stop or by hand manual Stop step by step by skill . in the background system setting can adjust "Auto Stop" –"On " or "Off"**

3. In background system setting “Max Bet” you can set as per your requirement.

For Example if “Max bet” you set “10”

Means Mini bet is “1”

The game is 25 Lines. So if player mini bet is “1” ,means he each time mini bet is 25 credits.

If you setting 1USD=100 credits

Means 1USD ,Player can play 4 Times

If background setting “Max Bet” is “30”

Means Mini Bet is “3”

25 lines:3*25=75 credits each game (mini bet)

Important notice:

Max Bet will Affect the Bonus. “Max Bet” setting more larger,the Bonus shows number will shows more larger. Or else will Less.
